KEN KARCHER
Head Coach
Experience: 9th Year
Hometown: Pittsburgh, PA
Alma Mater: Tulane University

Ken Karcher begins his ninth season as Warrior head football coach.

Prior to joining the ECCC staff, Karcher served as offensive coordinator and quarterbacks coach at Eastern Michigan University.

His top priority remains the same as when he was announced as the college's 21st head coach during a spring 2013 press conference: Develop a winning football program at East Central Community College.

His overall record at ECCC is 28-43 after finishing 2-3 in the 2020 season, which was cut short due to the COVID-19 pandemic.

Both the 2019 and 2018 teams finished with a 4-5 record. The 2019 Warriors faced seven ranked teams, including five in a row to close the season. The 2017 ECCC football team finished 1-8.

The 2016 Warriors won the college's first-ever Mississippi Association of Community and Junior Colleges South Division title. The Warriors also qualified for the state playoffs for the second straight year, marking the first time in 40 years that East Central participated in postseason play in consecutive years. The 2016 team finished 5-5 on the season, losing to Northwest Mississippi Community College 21-14 in the state playoffs.

Karcher's 2015 team had the college's best season in 16 years, with an overall record of 8-3. The Warriors won the C.H.A.M.P.S. Heart of Texas Bowl and finished ranked No. 10 in the National Junior College Athletic Association Top 20 poll. ECCC advanced to the state playoffs before falling 20-14 to eventual national champion Northwest.

For his coaching efforts, Karcher was named the Mississippi Association of Coaches Community College Football Coach of the Year for both the 2016 and 2015 seasons.

Karcher served four seasons at Eastern Michigan, a member of the Mid-American Conference.

He is also a former head coach at Liberty University, where he succeeded EC alumnus Sam Rutigliano.

Karcher began his coaching career in 1991 at North Texas State University, where he coached quarterbacks and wide receivers.

He was hired the following season by Head Coach Galen Hall as passing game coordinator and quarterbacks coach for the Orlando Thunder of the World League of American Football.

After the World League was suspended, Karcher returned to the collegiate ranks as an assistant on Johnny Major's coaching staff at the University of Pittsburgh. During his first season, he served as the Panthers' pass offense coordinator and quarterbacks coach, sharing duties with run offensive coordinator Charlie Coe.

In March 1994, Majors put Karcher in sole charge of

the offense, promoting him to offensive coordinator and quarterbacks coach. He held that position for the next three years, until Majors' resignation at the end of the 1996 season.

In 1997, Karcher rejoined Galen Hall in the revamped World League, this time as offensive coordinator and quarterbacks coach of the Rhein Fire, based in Dusseldorf, Germany.

He helped lead the Fire to their first winning season in the team's three-year history. Rhein finished in first place with a 7-3 record but lost to the Barcelona Dragons in World Bowl IV. Under Karcher's tutelage, quarterback T.J. Rubley earned All-World League honors and was named the league's most valuable offensive player.

Karcher's offense led the league in rushing yards (1,555) and ranked second in total offense (3,253). The offensive line set a league record by holding opponents to only one sack the entire regular season.

Karcher was chosen the sixth head football coach at Liberty University on February 18, 2000.

He served six seasons at Liberty, compiling an overall 21-46 record and 6-8 mark in conference play, including two straight second-place finishes.

Karcher continued his career in 2006 as offensive coordinator and quarterbacks coach at Fellowship Christian High School in Roswell, Ga., where he helped lead the Paladians to their first-ever winning season and a deep run in the Georgia state playoffs. He also served as the school's athletic director and taught a ninth-grade Bible class at Fellowship Bible Church.

In 2008, Karcher was named quarterbacks coach at the University of Toledo. He helped lead the Rockets in an upset win over the Michigan Wolverines, although the squad finished 3-8.

Karcher was hired in January 2009 by head coach Ron English as offensive coordinator and quarterbacks coach at Eastern Michigan University and remained with the program until December 2012.

A native of Pittsburgh, Pa., Karcher was a highly recruited quarterback at Shaler Area High School where he was selected a Parade All-American in 1980. He continued his athletic career at the University of Notre Dame where he was a backup to Blair Kiel. After two years he transferred to Tulane University, where he completed his collegiate playing career.

He later continued his career in the National Football League as a member of the Denver Broncos and played as a replacement player when other NFL players were on strike. The Broncos retained him for the rest of the year, and Karcher was a back-up for John Elway when the team played in Super Bowl XXII in 1988.

He holds a bachelor's degree from Tulane and a master's degree from Global Grace Seminary.

Karcher is married to the former Pauline Termini and they have four children, daughters Kelly and Katie, and sons Austin and Clay, and five grandchildren.

Warriors Excited to Return to the Field

The 2020 East Central Community College football season was strange, to say the least, but despite the trials, the Warriors posted a 2-3 record with a shutout, 21-0, win over Southwest, and a stellar 13-10 overtime victory against the Co-Lin Wolf Pack in Wesson. The season was cut short the following week due to concerns over COVID-19, and a year later, the Warriors are ready to get back on the gridiron despite facing another round of challenges.

"This year could be even crazier than last," said ECCC head football coach Ken Karcher, "but our men are hungry to play. One of our main focuses right now is for everyone, from players to coaches, to be flexible and be ready at any moment."

The Warriors return some talented players on both sides of the ball this year, and Karcher plans on keeping the same offensive and defensive core while allowing room to adapt based on the abilities that each player brings to the team. John Hilbert led the Warriors in receiving in last years' brief season with 326

yards and two scores. In the rushing game, Larry Wilson and Keyser Booth are back after leading the team in the rushing attack a year ago. Though it is too early to tell what will be ECCC's biggest offensive weapon, the running game has shined in practice and preseason scrimmaging, and with key returners back, it looks to be a staple in the Warriors' offense.

ECCC will be led by a group of first-year quarterbacks in Gabriel Larry, Caleb Parten, Damon Mapp, and Jaden Mann. Though young, this group provides the ECCC coaching staff some depth and a variety of skill sets to best suit the Warrior offense.

"I know that we will be a very hard-nosed football team that has the ability to be very balanced on the offensive attack," said Karcher. "We will have to see what happens for us at the quarterback position, but it is good to have such a talented group of guys."

The Warriors were pretty balanced a year ago as the team posted 766 passing yards and 582 rushing yards through five games while

scoring three touchdowns in both the running and passing game.

The run game is highlighted by talented returning running backs, but the group plowing the way up front deserves a lot of the credit. Karcher and the Warrior coaching staff look to utilize some out-of-state players on the offensive line in 2021 to beef up quarterback protection as well as create running lanes. This group, like the quarterbacks, will be young, but depth is another weapon the Warriors have at their disposal.

Defensively, the Warriors will be led by a veteran group in the secondary in Michael Coats, Desmond Williams, Tori Mulkey, and Josten James. Experience is key in the MACCC, and with four returners the Warriors are set to have possibly the best defensive back end in the country.

ECCC is talented on the defensive line and linebacker positions as well with players that can stretch the field and quickly get into the backfield to disrupt the opponent's offensive timing in returners like Equandric Ross and Deiondre Fox.

The Warriors' special teams are also falling

into shape with a talented group of specialists in Ross James and Jaren Van Winkle. Van Winkle looks to handle most of the Warrior kicking, while the duo will battle throughout the season for punting duties. Pair this competitiveness with one of the top long snappers in the league in Manuel Hillman and ECCC is poised to continue the tradition of one of the most effective and well-disciplined groups of specialists in the MACCC.

With a solid group of returners and an incoming class of young men ready to battle it out for playing time, the Warriors of ECCC are ready to take the field by storm in 2021.

"Our success is not measured entirely on the field," said Karcher. "We want to see our players and coaches grow as men, and we want to challenge for the conference championship."

The team opens the season with a pair of road trips to East Miss on September 2 and to Miss Delta on September 9, but will return to Decatur for the season home-opener on Thursday, September 16 versus Jones College at 6:30 p.m. All ECCC home games can be watched live at www.eccclive.com/gold.
